The Summer Music Vocal Camp is for students who will be in the 6th through the 9th grade in the 2017-2018 school year. Students who enroll in the Summer Music Vocal Camp should be dropped off at Plaza Middle School on the first day of the program. Parents/guardians are responsible for providing a bag lunch, snack, and drink for their child on each day of the camp. The camp will focus on the singer as an individual. Students will sing a variety of literature to include a solo or duet from Broadway, Classical, Italian (no previous experience needed), Jazz and/or popular styles of music. Students will learn how to practice, to take an audition, and to work collaboratively in a full choir setting with movement and choreography. Students will participate in daily music enrichment activities in Music Theory, Composition and Music History.
