

Atlantic and Coastal Conferences 2017 Spring Sports Jubilee

Sports: Baseball, softball, and boys' & girls' soccer

Locations Floyd E. Kellam High School and the Virginia Beach Sportsplex

Benefits:

- Holding multiple tournaments at a central location can be an exciting and memorable experience for students who are participating.
- In some cases, resources can be combined to trim expenses.
- School faculties and communities should find it helpful to have all games at one site – especially if the school has more than one team involved.
