## Optional 2nd Bus Run Schedule During High School SOL Testing

**When:** Monday, May 22, through Thursday, June 1

**Who:** High school students transported to school from within the school's zone

### ***Regular Schedule***

Students who have scheduled SOL tests will report to school at the regular time and follow the testing schedule.

| DATE          | TESTS ADMINISTERED                 |
|---------------|------------------------------------|
| <b>May 22</b> | World History I                    |
| <b>May 23</b> | Reading                            |
| <b>May 24</b> | Geometry                           |
| <b>May 25</b> | Algebra I • Algebra II             |
| <b>May 26</b> | Biology                            |
| <b>May 30</b> | World Geography • World History II |
| <b>May 31</b> | Earth Science • Chemistry          |
| <b>June 1</b> | VA & US History                    |

### ***Optional Schedule***

Students *not scheduled for testing* on any given day during the testing window of May 22– June 1 may choose to follow one of two options:

#### **Option #1**

Students may choose to ride their regular school bus at the usual time. During the SOL testing block (7:20 a.m. - 9:40 a.m.), most students not testing will be assigned to a supervised study hall. Advanced Technology Center and Tech Center students who are not testing should follow their regular schedule.

#### **Option #2**

Students may choose to ride the optional second run of their regular school bus. Upon arrival at school at approximately 9:40 a.m., students will go to scheduled classes since the SOL testing block will be over.

**Please note that there is no optional second bus run for academy buses.**

**Questions:** Contact your school's administrator in charge of transportation.
