Parent/Student Course Information

Dental Assisting II
(VO 8329)
Three Credits, One Year
Grade 12

Counselors are available to assist parents and students with course selections and career planning. Parents may arrange to meet with the counselor by calling the school's guidance department.

COURSE DESCRIPTION
Dental Assisting is a 2-year program for rising 11th graders. Dental Assisting II is the second year in the sequence. Students are introduced to the careers in dentistry, including dentist, dental hygienist, dental assistant, dental laboratory technician, and dental receptionist. Students practice and learn about many of the skills utilized in these professions while attaining all the skills necessary to become a dental assistant. Study includes infection control and OSHA standards, anatomy and physiology, tooth morphology, oral histology, preventive dentistry, applied psychology, effective communication, office administration and management, use of dental software, operative dentistry techniques, and dental materials/laboratory skills.

CERTIFICATIONS
National Registered Dental Assistant Certification (NRDA)
National Board of Dentistry: Radiation Health and Safety Certification,
National Occupational Competency Testing Institute: Dental Assisting

STUDENT ORGANIZATION
Future Health Professionals (HOSA)
The mission of HOSA is to enhance the delivery of compassionate, quality health care by providing opportunities for knowledge, skill and leadership development of all health occupations education students, therefore, helping the students to meet the needs of the health care industry.
