Department of Teaching & Learning
Parent/Student Course Information

Introduction to Child Care Occupations
(HE 8283)
One-half Credit, One Semester
Grades 9-12

Counselors are available to assist parents and students with course selections and career planning. Parents may arrange to meet with the counselor by calling the school's guidance department.

COURSE DESCRIPTION
Students learn fundamental skills necessary for successful employment. Students identify career possibilities, explore characteristics of professional child care providers, develop schedules and plan curriculums appropriate for developmental stages which promote a healthy and safe environment for children.

CERTIFICATION
American Association of Family & Consumer Sciences: Broad Field Family and Consumer Sciences Competency Assessment (for those students who have taken at least one other year-long FACS course)

STUDENT ORGANIZATION
FCCLA – Family, Career and Community Leaders of America
FCCLA is a national career and technical student organization that promotes personal growth and leadership through Family and Consumer Sciences education. As part of the FACS curriculum, the FCCLA framework helps students develop character, think creatively and critically, and prepare for careers through practical knowledge and specific skills.
