COURSE DESCRIPTION
Band 8 Year
_Students may opt out of this year-long course at the end of the first semester._
In this year-long course, students are acquainted with the great heritage of symphonic literature and are given the opportunity to develop high standards of general musicianship. Emphasis is placed on artistic performance commensurate with the maturation level and experience of the group. Performances are an important part of the group activities. After-school rehearsal and performances may be required of students.

Middle School Instrumental Music, Advanced Level
The standards for Middle School Instrumental Music, Advanced Level enable students to acquire more advanced technical and expressive skills and demonstrate a mature level of musicianship. Students demonstrate a variety of articulations, bowings, positions, alternate fingerings, and vibrato while playing the required scales, arpeggios, and rudiments in more complex rhythmic patterns. Percussion students become more proficient in the use of mallet instruments, timpani, and auxiliary instruments. Through playing and writing, students create expressive rhythmic and melodic variations. Students research career options in music. They perform music at Solo Literature Grade Levels 2–4 of the Virginia Band and Orchestra Directors Association (VBODA). Students discuss and evaluate characteristics of personal performances and compositions, as well as the works of others. Students are provided with opportunities to participate in local, district, and regional events.
