	cannot be addressed as each individual student’s case is different.
VBDHS: VaBeach Infant Program & Dept Melissa Barnett	Melissa Barnett notified the committee that the Infant Program is considering doing away with reporting to the SEAC committee each month. She also reported the Pals programs, the after school program and the adult programs are full. Kara requested a reason why VBDHS is considering eliminating a monthly report from the Infant program to the SEAC committee.
Parent Support and Information Center	Parent Support and Information Center: Dr. Brenda Reid (Alfreda Reported in Dr. Reid’s absence) November 8, 2011 – December 13, 2011 Center Activities: <ul style="list-style-type: none"> ➤ 98 call, 5 center visits and 25 emails were received in the center. ➤ A workshop is scheduled for January 11, 2011 from 8:00 a.m. – 4:00 p.m. at the Laskin Road Annex. Lunch will be provided to participants who attend both sessions.
Cheryl Ward Independence Center	Amendments from the governor to the proposed budget are out and respite hours for Medicaid waiver recipients will be cut from 720 hours to 360 hours per year. The change is expected to start on January 1, 2011. <p>General assembly will start in January more cuts to services for people with disabilities are expected. Lots of advocacy will need to be done. Families should be prepared to help with these efforts.</p> <p>JLARC report has recommendations to merge case management for DD waiver services and ID waiver services with the CSBs instead of DMAS, which currently manages DD waiver services. Advocates fear this will extend the waiting time for people in need of services from the ID waiver and move them further to the back of the line.</p> <p>The youth advocate staff member, Emily Fisher, has begun a support group for students ages 13 and up. These meetings take place about once a month and different activities are planned for each meeting. You can contact Emily at 351-1587 or efisher@independence.org for more information on this group.</p>
