

BUDGET ANALYST

GENERAL RESPONSIBILITIES

Under the leadership of a Coordinator of Budget Development, the position is responsible for assisting in the preparation and administration of the school operating and categorical budgets, and overseeing the federal impact aid-funding program.

ESSENTIAL TASKS

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

- Review annual departmental budget development submissions and documentation of personnel and resource allocations for accuracy; update data in budget system software.
- Assist in monitoring, analyzing and reporting financial and operational data.
- Provide accurate data and analysis to assist in the preparation of the budget and related documents.
- Prepare salary and fringe benefit projections and projections of non-personnel costs.
- Assist with monitoring revenue projections for current and proposed budgets.
- Serve as a liaison and collaborate with staff in other offices and departments on budget and/or grant related issues.
- Assist with budgetary, financial and operational research for reports, projects and program evaluations as requested.
- Review and analyze budget transfer requests to evaluate availability of funds and budgetary impacts; enter budget transfers into financial system.
- Collect, analyze and assist in the preparation of categorical funding applications and budget amendments.
- Review statements of expenditures and encumbrances compared to budget on a monthly basis for accuracy and make recommendations for budget adjustments as needed.
- Prepare the monthly grant summary financial report for senior staff members.
- Assist with position management, including updating position allocations and monitoring the staffing of personnel.
- Prepare the draw account allocations for school sites.
- Assist with financial systems and document management platforms, updates, and reporting and analysis as required.
- Oversee the collection, analysis and tabulation of data, and preparation of annual reports for the Impact Aid program.
- Represent the school division in cooperation with outside agencies, governments, legislators and other public constituencies.
- Assist with the fiscal year-end closeout process as needed.
- Assist internal and external auditors with data request and reports as needed.
- Compose and proofread various documents for the department.
- Manage special projects as assigned.
- Perform related work as required.
