

COORDINATOR, CURRICULUM AND INSTRUCTION

GENERAL RESPONSIBILITIES

The coordinator of a curriculum and instruction program is responsible for providing leadership, alignment, coordination and delivery in the development and improvement of the curriculum program for the school division. The coordinator ensures that resources are available for teacher and student use and provide the necessary staff development for implementation of the assigned instructional program.

ESSENTIAL TASKS

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

- Serve as the point person for division-wide initiatives, as assigned.
- Develop and update instructional materials including but not limited to curriculum guides, parent/student documents, assessment instruments, and report cards.
- Provide guidance in the selection of textbooks and other instructional materials and equipment for the assigned program.
- Maintain basic and supplementary list of instructional materials.
- Conduct textbook adoption process and/or workshops.
- Prepare and monitor the program's budget.
- Review and analyze assessment data for the assigned program.
- Develop short and long-term goals for the curricular area with an emphasis on K-12 alignment and articulation.
- Support and work collaboratively with principals and teaching staff to effect horizontal and vertical continuity and articulation of the instructional program throughout the division.
- Provide ongoing instructional support and classroom management assistance for continuing contract and probationary teachers.
- Observe teachers as requested by building administrators and provide immediate feedback on their progress.
- Plan and conduct teacher training programs and conferences dealing with new classroom procedures, instructional materials, equipment and teaching aids.
- Develop, plan and conduct professional development activities for building-level administrators, instructional staff and trainers for division-wide initiatives, new classroom procedures, instructional materials, equipment and teaching aids.
- Work collaboratively with staff members of Curriculum and Instruction and other departments, as assigned.
- Work collaboratively with team members and principals of assigned schools to develop, update, and implement annual school service plans or five (5) year plans.
- Update and maintain the program's Web site.
- Serve on a variety of local and state committees, representing the school division in educational projects and initiatives.
- Perform related work, as required.
