

# VIRGINIA BEACH CITY PUBLIC SCHOOLS

## CHARTING THE COURSE

### COORDINATOR, MAINTENANCE

#### GENERAL RESPONSIBILITIES

Under the leadership of the Director of Maintenance Services, the position is responsible for providing technical expertise to plan, manage, direct and coordinate division-wide facility maintenance for schools, buildings, and systems. In addition, the position is responsible for supervising and coordinating the work of assigned staff in the following areas: carpentry, painting, furniture, locks, food services repair, machinery, shades/blinds, glass, masonry, and tile and roof repair shops.

#### ESSENTIAL TASKS

(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related, or a logical assignment to the position.)

- Evaluate maintenance requests, set priorities, process work assignments, and schedule the maintenance and repair of facilities including repairs for CIP projects; ensure the quality and quantity of work.
- Manage the maintenance, repair, integration, modification and installation of all systems and equipment associated with electronic systems under the heading of electronic equipment, communication and security systems.
- Establish and maintain a reliable network of vendors and suppliers to ensure the cost-effective and timely support of the function.
- Establish and communicate the level of quality and safety expected in the performance of the maintenance function.
- Evaluate the material condition of all facilities; research solutions for structural problems.
- Ensure emergency calls, daily or after hours, are investigated and completed.
- Verify and approve purchase requisitions for materials and contracted work.
- Monitor inventory and control of tools and equipment.
- Interact with staff at facilities where projects are ongoing to ensure minimal impact on the facility and staff.
- Work collaboratively to coordinate interdepartmental work projects.
- Review specifications for contracted work during yearly maintenance budget; prepare the assigned annual budget for submission to the Director.
- Ensure all permits/licenses are up to date; work collaboratively with the City Permits Office to resolve issues.
- Evaluate and oversee annual service maintenance contracts for areas under the scope of this position, to include but not limited to: security cameras, intrusion detection/fire alarm systems, specialty sound systems, access control systems/central control platform, gymnastic\sports equipment repair etc.
- Solicit, verify, and approve proposals of work by various contractors.
- Analyze and negotiate change order proposals for scope, schedule and price; provide recommendations for execution by VBCPS.
- Review drawings and specifications for projects; provide input regarding renovations and new construction plans.
- Verify and ensure contractors are performing work in accordance with contract documents.
- Work with the Office of Safe Schools to investigate safety concerns; provide recommendations for proper equipment placement\usage.
- Oversee safety inspections of gym bleachers, grandstands, building structure, specialty sound equipment, gymnastic equipment, basketball backstops, gym curtain dividers, hoist cranes, and hydraulic lifts.
- Collaborate with the Office of Employee Relations to counsel and resolve personnel issues for assigned staff.
- Prepare and/or review staff evaluations on an annual basis.
- Participate as part of an interview committee for job applicants, as assigned.
- Perform related work as required.
