Dear (parent name),

Virginia Beach City Public Schools encourages all parents and guardians to be engaged in their student's success. ParentVUE Parent Portal is the tool parents and guardians use to access students' attendance, assignments, grades and course history.

Please take a few minutes to activate your ParentVUE Parent Portal account by following the instructions in the attached Activation Letter. In this letter you will find your unique Activation Key which will allow you to set up your personal User ID and password.

If you have a problem activating your account, please contact your student’s school.

Thank you.
