

Signing into a Chromebook After Network Password Reset

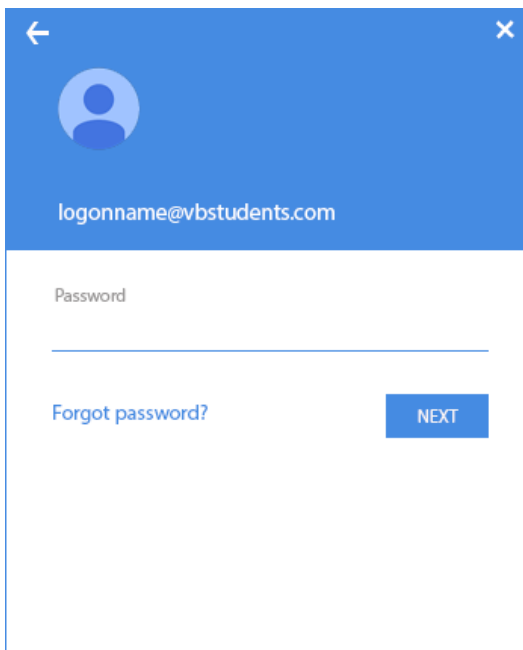

Follow the steps below to log into a Chromebook after your network password has been reset.

- 1) Enter your network login credentials i.e. *jdoe@vbstudents.com* and click next

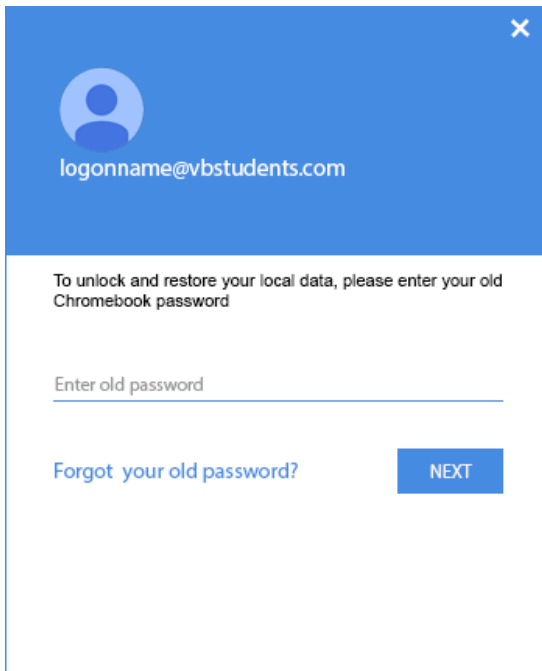

The image shows a Chromebook sign-in screen. At the top, there is a blue header with a refresh icon in the top right corner. Below the header, the text reads "Sign in to your Chromebook" and "Managed by vbschools.com". The main area is white and contains a text input field with the placeholder "Enter your email" and a pre-filled email address "@vbstudents.com". Below the input field, there is a link "Need help finding your account?". At the bottom left, there is a link "More options". At the bottom right, there is a blue button labeled "NEXT". The Google logo is centered at the bottom of the screen.

- 2) Enter your "New" password
